Significant Event Notice: Termination of the AMG MySuper Investment Option

Dear «GivenNames» «FamilyName»,

This Significant Event Notice (Notice) is in relation to your chosen investment in the AMG MySuper investment option. This Notice has been prepared by Acclaim Management Group Limited ABN 52 091 082 058 (Acclaim), on behalf of the Trustee, Equity Trustees Superannuation Limited ABN 50 055 641 757, RSE Licence No. L0001458, AFSL 229757 (Trustee, we, us, our) as trustee of Freedom of Choice, a division of AMG Super ABN 30 099 320 583 (Fund).

We are writing to inform you that the Trustee has decided to terminate the AMG MySuper investment option. This means your investment in the AMG MySuper investment option will need to change according to your instructions or, if you don't exercise any of the options available to you, as determined by the Trustee. We encourage you to read this notice in its entirety to understand how the termination of the AMG MySuper option may impact you. Please take note of the options available to you and important dates included in this Notice. Also take note of the transaction freeze that will apply to the AMG MySuper option from 5 pm, 22 February 2024 to 5 pm, 29 February 2024.

Why has the decision to terminate the AMG MySuper investment option been made?

As previously advised to you in 2022, the AMG MySuper investment option failed APRA's annual performance test for a second consecutive year. The AMG MySuper investment option was closed to new members with effect from 19 August 2022. After careful consideration the Trustee has made the decision to terminate the AMG MySuper investment option altogether. It is intended that the option terminate in early 2024, after existing members with investments in the AMG MySuper investment option have been given an opportunity to choose how they would like their holdings in the AMG MySuper investment option dealt with.

What options are available to me?

You can exercise choice regarding what happens to your superannuation account's investment in the AMG MySuper investment option (your MySuper holdings). The options available to you include:

- 1. Choose an alternate investment option in the Fund:** You can select an alternate investment option in the Fund for your MySuper holdings.
- 2. Transfer to a different super fund:** You can transfer your entire account balance to another superannuation fund of your choice.

3. **Withdraw your balance:** Subject to preservation rules, you may be able to withdraw your entire account balance.
4. **Do nothing:** If you do not act, the amount of your MySuper holdings, on 23 February 2024, will be switched to the Vanguard Growth Index Fund. This investment switch will occur automatically, if you do not provide us with any instructions in relation to your MySuper holdings and will result in a change to your account balance's investment profile. Please see table below for further detail regarding the characteristics of the Vanguard Growth Index Fund including investment return objective, asset allocation and risk profile.

Please contact us if none of the above options suit you.

You should consider your personal financial situation and consider seeking financial advice ahead of making any decision about your MySuper holdings as there may be taxation, insurance and other consequences.

How do I choose an alternative investment in the Fund?

You can choose to have your MySuper holdings invested in one or more of the other investment options available to you within the Fund. You can do this by completing an Investment Switch Form and ensuring it is returned to Acclaim before 5 pm, 22 February 2024. Buy/sell spreads will apply depending on the investment option you choose. Before you make any decision in relation to an alternative investment option, you should read the Product Disclosure Statement (PDS), Additional Information Booklet (AIB) and Target Market Determination (TMD) relevant to your membership of the Fund. You can obtain copies of the Investment Switch Form and relevant disclosure documents by visiting www.freedomofchoice.com.au.

What will happen to my insurance cover if I close my accumulation account?

If you have insurance cover in the Fund, your insurance cover in the Fund will cease if you transfer your entire account balance to another fund or you withdraw your entire account balance (subject to eligibility).

However, if you choose to transfer your super balance to another super fund, you may also be able to transfer the amount of your cover in the Fund to that fund with limited or no underwriting (i.e. without a full insurance application), depending on your personal circumstances and the insurance arrangements in your nominated fund.

You should discuss the options (if any) available to you in relation to transferring the amount of your insurance cover with the other super fund before transferring your account balance including whether the other super fund will allow you to transfer your insurance cover with limited or no underwriting, and the other fund's insurance terms and conditions.

Important note: if the other super fund you wish to nominate requires an insurance application with full underwriting, there is a risk that you will not be able to obtain insurance cover in that other fund. Additionally, waiting periods, costs, and other terms and conditions are likely to be different to those applicable to you in the Fund and may, depending on your circumstances, be less favourable.

You should consider your personal financial situation and consider seeking financial advice ahead of making a decision about insurance including the impact of any insurance terms and conditions that may become applicable to you if you obtain insurance cover in another super fund.

What happens if I have lodged an insurance claim or have an insurable event before I close my accumulation account?

If your accumulation account is closed (because you transfer your entire super balance to another fund or withdraw your balance), any existing or potential insurance claim related to an insurable event that occurred before the cessation of your insurance cover in the Fund will not be affected. We will continue to process any existing insurance claim as soon as possible. If you wish to make an insurance claim, please contact us promptly to find out more about the claims process or any other information you may require.
