PRODUCT UPDATE

Changes to the default occupation classification name

Your occupation is one of the factors that determines what premium will be payable for your insurance through Freedom of Choice. When members join Freedom of Choice, they are defaulted into the Standard occupation class. We renamed “Standard” to “Non Office Based” to improve the description so it is easier to understand the usual activities associated with this classification.

Do I need to take any action?

If you think your occupation is office based you can apply to change your occupation rating by completing an Occupation Rating Form, <https://www.freedomofchoice.com.au/occupation>, or by contacting us directly. If you complete a change in Occupation Rating Form the change in occupation class will occur on the date we receive your signed declaration.

How can I find out more information?

Should you have any questions regarding your insurance held through Freedom of Choice, please contact your Adviser or our Client Service team on 1800 803 013, or via email to enquiries@freedomofchoice.com.au.
